6) The construction of waiting sheds
at Bus stops in Bangalore city is
a great necessity, for protecting the
passengers from sun & rain. Some very
decent sheds have been constructed in
Mysore city and they may be built with same wood in this city.

7) The cost of putting up these waiting
sheds may be justly apportioned between
the Government City and the Mysore City.
Transport Coy. The City have however
pledged unwilling to contribute anything
towards this work & have suggested that
the Govt & the City might bear the charge.

8) It is necessary to have some waiting sheds for passengers. The City Transport Bus Service has to construct the same, but they plead inability to bear the costs. It is a new concern and perhaps may not be prepared to incur the expense of so, the Government and the Municipality may have to bear the costs in equal moiety. The Municipal Council may have to be consulted on the question of their willingness to contribute their quota.

SIR

I have the honour to state that an estimate for Rs 10,350/- for forming a circle near the Majestic Theatre and also to put up some waiting sheds for passengers that move about in buses has been got prepared and that the work has to be taken up urgently with a view to afford shelter from sun and rain to the public and also to improve the locality which forms an important junction of roads in the City. The Manager of the Bangalore Transport Company, Ltd has expressed inability to contribute anything towards the cost of constructing waiting sheds. A copy of his letter No 3784 dated 5th June 1941 in the matter is enclosed for kind reference.

In concurrence with the opinion of the Managing Committee, the Council have resolved that the Transport Company should put up the sheds at its cost. Copies of the resolutions of the Managing Committee and the Council are herewith submitted with a copy of the estimate for Rs 10,350/- Improvement of the locality is quite necessary, as also the construction of waiting sheds for passengers.

The Manager of the Transport Co, Ltd, may therefore be kindly addressed in the matter of taking needful action to put up waiting sheds at the cost of the Transport Company.

Forwarded with compliments,

Dear Sir,

C

With reference to your letter No L 4118 dated the 19th November 1941 inviting attention to Government Order No T 2183-93/R T 53-39-2 dated 31-1-1940 and suggesting that Waiting Sheds should be put up by the Company at important Bus Stands for the convenience of passengers, we beg to state as follows

When the formation of this Company was sanctioned by Government in place of a number of private Bus concerns then working in the City, it was expected that such an arrangement was sure to result in an increased income to the Company and better facilities for the public and that it would be possible for the Company to provide greater amenities to the public by putting up Waiting Sheds for passengers at important Bus Stands and by improving the Services in several other directions

But judging from the working of the Company for the past one year or so since its formation, it has to be admitted that most of the expectations cherished at the time of its starting have not been fully realised. Due mainly to War conditions and other causes, we have not been able to realise as much income as we expected and find ourselves greatly handicapped in providing funds for creating amenities to the

public by the purchase of new buses and so on

We have so far not been able to find a permanent habitation for ~~an~~ our Offices and Garage and to provide for a well-equipped Workshop These will absorb all our available and limited finances

In these circumstances, we have to express regret at our inability for the present to contribute a share of the cost of constructing Waiting Sheds for passengers in different localities in the City

Yours faithfully,

Subbarayappa
